

NutriSource 18% Medicated Chick Starter

NutriSource 18% Medicated Chick Starter is a crumbled, complete balanced feed formulated to provide all the required nutrients for the young chick. NutriSource 18% Medicated Chick Starter contains high quality grains and protein sources, in addition to high levels of vitamins and trace minerals. NutriSource 18% Medicated Chick Starter aids in the prevention of coccidiosis.

FEATURES:

- **Crumbled Form** - uniform and consistent mix, encourages intakes and minimizes feed waste and sorting.
- **Amino Acids** - amino acid balanced diets reduce protein levels while providing the required level for growth.
- **Phytase** - enzyme releases dietary phosphorous in grains and proteins, lowers need for supplemental phosphorous.
- **Probiotics** - contains yeast culture and Lactobacillus acidophilus to support a healthy digestive tract.
- **Amprolium** - used to prevent coccidiosis in young chicks.

BENEFITS:

- **Off to a Good Start** - consistent product, with quality ingredients and proper fortification get the birds eating from the start.
- **Efficient and Economical** - enzymes and amino acids reduce diet costs and improve feed conversion.
- **Environment** - phytase and amino acids result in more environmentally friendly diets by reducing phosphorous and nitrogen in the manure.

FEEDING DIRECTIONS:

Feed as the sole diet from hatch to 16 weeks of age. Provide continuous access to fresh water. Store feed in a dry location free of rodents and other pests.

WARNING: Use as sole source of Amprolium. Fertility, hatchability and other reproductive data are not available on Amprolium in breeding pheasants. Do not use in feeds containing bentonite.

LIMITATION: Feed continuously as sole ration.

This feed was produced in a facility certified in the American Feed Industry Association's Safe Feed/Safe Food Certification Program.

Control Number: 43437-413 40 lbs.

ACTIVE INGREDIENT

Amprolium0.0125%

NUTRIENT ANALYSIS

Crude Protein, min18.00%
Lysine, min..... 0.90%
Methionine, min 0.35%
Crude Fat, min 2.50%
Crude Fiber, max 6.50%
Calcium, min 0.70%
Calcium, max 1.10%
Phosphorous, min..... 0.60%
Salt, min 0.30%
Salt, max..... 0.50%
Vitamin A, min.....5,100 IU's/lb.
Vitamin E, min 13 IU's/lb.

INGREDIENTS

Ground Corn, Soybean Meal, Wheat Middlings, Corn Distillers Dried Grains with Solubles, Calcium Carbonate, L-Lysine Monohydrochloride, Salt, Monocalcium Phosphate, Choline Chloride, DL-Methionine, L-Threonine, Marigold Extract, Manganese Sulfate, Dried Brewer's Yeast, Zinc Sulfate, Vegetable Oil, Ferrous Sulfate, Dried Saccharomyces cerevisiae Fermentation Solubles, Zinc Oxide, Manganous Oxide, Nicotinamide, dl- α -Tocopheryl Acetate (source of Vitamin E), Active Dry Yeast, Dried Pichia pastoris Fermentation Product, Copper Chloride, Calcium Pantothenate, Selenium Yeast, Riboflavin, Menadione Nicotinamide Bisulfite (source of Vitamin K Activity), Thiamine Mononitrate, Pyridoxine Hydrochloride, Zinc Amino Acid Complex, Vitamin D3 Supplement, Vitamin B12 Supplement, Manganese Amino Acid Complex, Folic Acid, Calcium Iodate, Copper Amino Acid Complex, Sodium Selenite, Biotin, Natural Mixed Tocopherols, Citric Acid, Natural Flavors, Dried Lactobacillus acidophilus Fermentation Product, Dried Enterococcus faecium Fermentation Product, Dried Bacillus subtilis Fermentation Product, Dried Bacillus licheniformis Fermentation Product, Dried Bifidobacterium animalis Fermentation Product, Dried Lactobacillus lactis Fermentation Product, Vitamin A Acetate, Yeast Culture, Yeast Extract, Hydrolyzed Yeast, Dried Trichoderma reesei Fermentation Extract, Dried Aspergillus niger Fermentation Extract, Dried Aspergillus oryzae Fermentation Extract, Dried Saccharomyces cerevisiae Fermentation Solubles Extract.
